Who is it ? Coming This Fall, here's a trailer for what's to

come

# 1. Chapter 1

**\*\* (Hello people of the internet, this is a trailer for an upcoming fanfic of mine, based on the idea from Timetrixter22 and using a similar writing style as NightFury999 when she writes trailers, because in all honesty, writing a trailer can be difficult to do, so please be lenient towards this, and like how actual movies do, the closer I get to releasing the actual product, the more trailers I'll write, \*\*\*\*so grab your popcorn and let's read a trailer)\*\***

```
**Also just in case- Underlines will be for description/W is line
break/ Bold will be letters that would appear on the screen/and
dialogue is what's beside the characters name**

For once in my life, I feel generally worried and afraid, every day I step out this door I feel I'm taking a risk, I \_know\_ what the wolf is, who the wolf is.
